**Subject:** Briefing materials for 9 a.m. meeting

Hi all,

I have updated the briefing materials for our meeting. I will print out two color copies for Callie and Darcy, and I'll bring black and white copies for everyone else. I'm hoping Monica or Cindy can summarize highlights from yesterday's EI meeting in Salt Lake. I listened on the phone, but it wasn't always clear who was talking and what was decided.

Thanks,

Jody
